What do you want from your CAR INSURANCE?

You haven't had an accident in years. But you still pay and pay for insurance. Wouldn't it be nice to get something back for a change?

Or say you do get into an accident. On top of possibly paying a deductible, your insurance rates could go up.

Now there's Your Choice Auto[®], only from Allstate. It rewards your safe driving or forgives an accident — starting the day you sign up.

Your Choice Auto[®]

Only Allstate gives you more rewards for safe driving and more protection for your rates just in case something does happen.

1 ACCIDENT FORGIVENESS

If you get into an accident, Accident Forgiveness can help keep your rates from going up just because of it — starting the day you sign up.

2 DEDUCTIBLE REWARDSSM

You'll get an immediate \$100 off your deductible the day you sign up. Then you'll get \$100 off for each additional year you don't have an accident — up to \$500 total.

3 SAFE DRIVING BONUSSM

Now you can get up to 5% off your renewal bill for every 6 months you avoid a crash.

4 NEW CAR REPLACEMENT

For an additional premium, New Car Replacement can help protect your new car so that if it gets totaled within the first three model years, you can get a new car.
