

# Boat Owners' Insurance

Whether you motor, sail or just row,  
Allstate offers smart protection at  
a smart price.

# Allstate offers coverage and pricing to float your boat.

Your boat is a valuable investment in your happiness. Don't let inadequate insurance sink your dream. With Allstate, you'll find a variety of coverage levels at competitive prices to fit both your boat and your budget.

## **Now more of the coverage options you may need.**

You'll also find options that can better round out your protection needs. Agreed Value provides coverage for total losses regardless of your boat's depreciation value. And Uninsured Watercraft can help protect you from expenses caused by boaters who don't have insurance. Plus, you can get specific coverage for your personal watercraft.

## **Savings are just the beginning.**

You may also qualify for discounts, especially if you have other insurance policies with Allstate. And you get the peace of mind that comes from working with your Allstate Agent. Before you take your boat out, talk to your Allstate Agent about how you can start setting a course for solid protection.

“I love being out on my boat  
and I wanted to protect  
that feeling.”
