What’s in it for you.

Freedom of choice, peace of mind and the chance to save money. Those are just a few of the options available with an Allstate Motorcycle policy. Check out the coverage options below.

Collision: Coverage for repairs to your motorcycle if it is damaged in an accident.

Comprehensive: Coverage for damage caused by falling objects, fire, theft, vandalism and many other non-collision losses.

Liability: Includes coverage for damages you are obligated to pay because of bodily injury to others and property damage.

Lease/Loan Gap: Pays the difference between the Actual Cash Value of the bike and the amount remaining on the loan or lease, in the event of a total loss or theft when you have Comprehensive and Collision coverage.

Want a little something extra?

Not every rider has the same protection needs. That’s why we have several different optional coverages you can buy.

Optional Equipment Coverage: Protects you from loss to any optional or added equipment not installed by the manufacturer. It includes such items as crash bars, custom seats, sissy bars, windshields, fairings, saddle bags and more.

With the Allstate Motorcycle policy, you have \$1,000 of coverage included when you purchase Comprehensive coverage. But you can also purchase up to an additional \$30,000 of coverage to help protect optional equipment you’ve added to your bike.

Towing: Covers the cost of motorcycle towing when you need roadside assistance. This coverage is included for all Harley Davidson, Touring and Touring Sport motorcycles. And it’s available for all bikes as an additional purchase.

Rental Reimbursement: Covers the cost of renting an automobile if your motorcycle is damaged or stolen.

Coverage is subject to availability and qualifications. Other terms, conditions, limitations and exclusions may apply.

This brochure is a brief description; this is not a contract. Please read the appropriate insurance policy for details, including limitations and exclusions.

Quality insurance and low rates ride with Allstate.

In addition to our great coverage and competitive rates, we also offer a variety of discounts. You could save up to 40% off your premium. Answer the following questions to see if you might qualify for one or more of these discounts:

- Have you had motorcycle insurance with another company within the last thirty days?
- Are you a good rider (no accidents, no major violations, no Comprehensive losses, and no more than one minor violation in the past 60 months)?
- Are you a member of a motorcycle organization?
- Do you own more than one motorcycle?
- Have you completed a Motorcycle Safety Foundation course?
- Do you have a homeowners, condominium or auto policy with Allstate?

If you answered yes to any or all of these questions, contact your Allstate agent to find out how much you could save. Remember, it could be up to 40%!

Accidents happen.

That’s why we provide Accident Forgiveness as part of our motorcycle policy. So you don’t have to worry as much about what’s going to happen to your insurance or your rates if you bend your fender (or someone else’s)! We also know that accidents don’t always happen during business hours. That’s why you get 24-hour claim service from Allstate. Just one phone call to 1-800-Allstate® will get the process started – it’s as easy as that.
